Hans' Poets Corner: "Geese"

Near the garage are two resident geese,
They are rather quiet if you leave them in peace
Sometimes they like to sit on the grass,
But when they're on the ramp
They will not let you pass
When the gate opens and a car comes out,
You should hear the language they spout
All this is done in geese twitter-speak
Then suddenly one goose will seek,

And fly to a higher elevation
On top of the entrance roof
To survey the situation,
While continue to complain,
Twitter trying to explain,
That spring is in the air,
And it really is not fair
But they have seniority,
And were here long before V!VA came to be.

A Bola Ballin' Good Time

Last month, V!VA Thornhill Woods visited our sister Community V!VA Pickering for a friendly Bola Ball competition. After enjoying lunch together, we played the game. While V!VA Thornhill Woods' Community Member Nola earned the title of Most Valuable Player for winning the most points, V!VA Pickering won the competition.

Our Bola Ball Athletes.

At the end of the day, we celebrated with a musical performance by V!VA Pickering's talented Team Member Matthew. Next month both Communities will be participating in a friendly Washer Toss Competition! Check out this month's calendar for details if you'd like to join in on the fun.

Nothing to "Wine" About!

Community Members enjoyed a trip to Magnotta Winery, where we were given a tour of the facility, and learned how their wines were made. We were also treated to complimentary samples of four different types of their wine!

Cheers!

Lunch with friends.

May Entertainment

Everyone enjoyed a beautiful piano recital from our Community Member Sarah Brickman along with a variety of entertainers and speakers including Willy Lindo on his experiences of growing up Jewish in Jamaica. We were also graced by the presence of

Community favourite Cantor Edwards, who performed a beautiful Pre-Passover concert. Israel Independence Day was celebrated this month along with a discussion by speaker, writer and author Riva Streen.

HELLO JUNE!

We made it! Warmer weather is here and summer is right around the corner! Here are 10 fascinating facts about June!

- 1 June is the month with the longest daylight hours of the year in the Northern Hemisphere.
- 2 June's birthstones are the pearl, the Moonstone and the Alexandrite.
- 3 The June birth flower is the Rose (Rosa) and the Honeysuckle (Lonicera).
- 4 In 2009, June was the 662nd most popular name for girls in the USA.
- 5 Anglo-Saxons gave the June the name Sera monath (Dry month).
- 6 June is derived from either Juno, the goddess of marriage, or from "iuvenes" (latin for young people).
- 7 In both common and leap years, no other month begins on the same day of the week as June.
- 8 June is international men's month.
- 9 June has the shortest daylight hours of the year in the Southern Hemisphere.
- 10 June is often considered a "summer month", whereas September is not. This is despite the fact that September has twice as many summer days as June.

TEASER

There's been a theft at the Big Al's Big Kahuna Surfboard Shop. Police have interviewed six suspects. Below is a summary of their statements. Police know that exactly four of them told one lie each and all of the other statements are true. From this information can you tell who committed the crime?
