Welcome 2020

Community Members celebrated the arrival of the next decade with great music, friends, and champagne! New Year's celebrations began with Waterside's popular NOON Year's entertainment in the Shores dining room and a champagne toast to kick-start the day. The Culinary Team prepared a delicious buffet dinner that Community Members enjoyed before heading over to Paddles Pub for live entertainment.

Canada Wins Gold

In early January, Community Members and Team Members, proudly wearing red and white, witnessed history from Paddles Pub as the Men's Canadian World Junior Hockey Team won gold! With noise-makers in hand, we were kept on the edge of our seats as Team

Canada and Team Russia scored goal for goal right up till the very last few minutes. We chanted, cheered, and beamed with pride watching our team win. What a great start of the year!
