Driving with Confidence: Staying Safe as We Age

Driving is more than just getting from place to place. It's about freedom, confidence and independence!

Join Police Officer Robert Annan for an engaging one-hour presentation exploring how driving changes as we age. Discover how changes in vision, reflexes, physical abilities and vehicle technology can affect our time behind the wheel. Enjoy helpful insights, practical safety tips and valuable advice to help you stay confident, informed and independent on the road for years to come!

Space is limited. RSVP today!
